FEATURE	DESCRIPTION	BENEFIT	COURSES
CONTENT			
New Welcome Message	– New information is now included on eBook registration, time zone, troubleshooting guide	– More support for students	Mosaicos 5e Anda Intermedio Conexiones 4e Chez nous 4e Arriba 5e Anda Elemental
New eBook	– Built on Pearson's new eBook+ platform. – Registration required for students and instructors – eBook is student text, therefore there are no Instructor Annotations. – Embedded audio and video will be included	– Replicates page layout of printed text, easier to read and navigate – Instructors can still add notes and highlights for students – All front and endmatter (appendices, glossary, etc) included	Mosaicos 5e Anda Intermedio Conexiones 4e Réseau Chez nous 4e

FEATURE	DESCRIPTION	BENEFIT	COURSES
New Crossword/Word Search puzzles	– New Crossword and Wordsearch puzzles with enhanced appearance and functionality	– Clues are easier to read – Double-submission button has been eliminated. Students only need to submit once in the MyLab frame. – The View Submissions now captures the completed puzzle so work can be reviewed – Scores report to the gradebook	Mosaicos 5e Anda Intermedio Conexiones 4e Chez nous 4e Arriba 5e Anda Elemental
Vistas culturales Activities	– Vistas culturales activities are now built natively in the system so they can be completed online.	– Instructors can assign these activities for a grade.	Mosaicos 5e Anda Intermedio Conexiones 4e
New video player with captions	– Videos(with and without captions) are available in a better player	– Improved quality of videos and captioning	Mosaicos 5e Anda Intermedio Conexiones 4e Chez nous 4e
French Pronunciation Guide	– Available in MyFrenchLab courses for fall	– Interactive way for students to practice pronunciation	Chez nous 4e Réseau Contrastes 2e
STRUCTURE			
New SAM (Machine-graded) and SAM (Instructor-graded) folders.	– Two new folders added in hidden state that each include only machine-graded activities and only instructor-graded activities	– Easier for instructors to now assign only machine-graded activities	Mosaicos 5e Anda Intermedio Conexiones 4e Réseau Chez nous 4e Contrastes 2e Arriba 5e Anda Elemental
Oral Recording Indicator for SAM Activities	– "Voice recording" now included in titles of activities in SAM that include Wimba	– Instructors can easily identify these types of activities when assigning them without having to open the activities themselves.	Mosaicos 5e Anda Intermedio Conexiones 4e Réseau Chez nous 4e

FEATURE	DESCRIPTION	BENEFIT	COURSES
Ebook and Tutorials folders in MyCourse	– eBook and Tutorials are now in MyCourse in a Hidden State	– Instructors have these materials available to them for to assign or make available to students	Mosaicos 5e Anda Intermedio Conexiones 4e Réseau Chez nous 4e Anda Elemental
Instructor Resources by Type	–In addition to being available view resources by chapter, they are now organized by type	– More direct path for accessing resources.	Mosaicos 5e Anda Intermedio Conexiones 4e Réseau Chez nous 4e
PREFERENCES			
Unread Discussion and New Grades alerts hidden on Today's View	– These two channels are now hidden as a default	– Cleaner Today's View – Users no longer have to scroll to view Performance channels.	Mosaicos 5e Anda Intermedio** Conexiones 4e Chez nous 4e Anda Elemental Arriba 5e
Student Answers will be highlighted	– When students select a response in a multiple choice or multiple response question, their answers will be highlighted and continue to appear that way in View Submissions	– Student responses are more easily viewable on screen.	Mosaicos 5e Anda Intermedio Conexiones 4e Chez nous 4e Anda Elemental Arriba 5e

** NOTE: The Unread Discussions Channel has been made available in this course because Discussion Activities are built into each chapter as the *Parloteos de Cisco*. For a sample, see AI text pg. 44.
